**Date:** November 26, 2010

**Subject:** Policy on Announcements During Coffee Hour

---

**Purpose:** To restate the FUSN Policy on Announcements During Coffee Hour

**Background:** Many FUSN members and visitors enjoy coffee hour and view it as an opportunity to talk with people about the morning service, church business, our personal lives, etc. With this in mind, the former Church Council in 2006 adopted a policy regarding Coffee Hour Announcements. That policy has been revisited by the Board and amended since that time.

**Policy:** Announcements during coffee hour are not allowed. Please respect the sanctity of this time of sharing.

**Effective Date:** October, 2006
