

FIRST UNITARIAN SOCIETY IN NEWTON

FUSN Issuance 2012-18

Policy **Information**

From: Pat Rohan
Chair, Operations Council

Date: January 11, 2012

Subject: Policy on the Use of Sanctuary Space

Purpose: To implement a policy of the Use of Sanctuary Space

Background: At the present time, space in the Sanctuary, including the chancel, loft and flower room, is used by both FUSN members and outside renters for various activities. Our Minister, with the support of the Operations Council, considers this space to be “sacred space” and desires that there be some control on the use of the space to maintain its sacred nature. The Operations Council and Minister concluded that the best way to achieve this would be to give the Minister the authority to control use of the space.

Policy: Any and all use of the Sanctuary, including the chancel, loft and flower room must be approved by the Minister.

Effective Date: January 11, 2012
